Education

B.Tech (Computer Science & Engineering)   2021 – 2025
I. K. Gujral Punjab Technical University Mohali Campus
SGPA : **7.01** (till 6th Semester)

Senior Secondary (XII)   2020 – 2021
GMSSS Dhanas, Chandigarh (Cbse board)
Percentage : **60.7**

Skills

Technical Skills

- HTML
- CSS
- JavaScript
- Rea ct . j s
- C++
- Material UI

Tools & Technologies:

- Git
- Github
- Vs code

Soft Skills

- Problem solving
- Team Collaboration
- Continuous Learning

Projects

Weather Locator Application
Developed a web application using ReactJS to fetch and display geographical data, including the longitude and latitude of cities and countries, leveraging the OpenWeather API. The app provides an intuitive interface for users to explore location-specific information.

Personal Portfolio
Designed and developed a personal portfolio to showcase projects, skills, and resume in a clean, user-friendly format.
Key Features : Responsive design, interactive navigation, project galleries with detailed descriptions.
Technologies used : HTML5, CSS3, JavaScript (ES6+)

Spotify Clone
Created a static clone of the Spotify web player interface using HTML and CSS, showcasing an ability to replicate complex layouts and styles.
Key Features:

- Designed a responsive layout that mimics the Spotify user interface.
- Implemented advanced CSS techniques for styling, including Flexbox or Grid.
- Focused on creating a clean and user-friendly design with attention to detail.
Technologies used : HTML5, CSS3
